Announcing our “Significant Other” Program

If your significant other is not a bridge player, there's plenty for him/her to do on the Central Coast. For connoisseurs of good food there's a handmade gourmet cheese factory, a nougat and chocolate factory, a distillery and a winery. For those who are a little more adventurous there are a number of outdoor activities that can be arranged.

CCBC can assist with bookings and directions so you can sit back and enjoy your bridge whilst your significant other is entertained. To register for this initiative, simply email ccbconvenor@gmail.com with the subject “tell us more about your Significant Other program”.

This event is conducted under the auspices of the NSWBA. All Players are subject to the NSWBA's Congress Disciplinary Regulations. The ABF has approved the issue of Red Masterpoints awarded at the State championship level (no Yellow systems or Brown sticker conventions permitted).

We look forward to hosting you.
