2018 Grand National Open Teams Competition

January, 2018

Dear Tournament Secretary,

Although there have been no changes made to the format or fee structure of the GNOT this year, the national co-ordinators are considering reducing the number of teams in future years. So that Sydney is not affected it is important that we maintain or increase entry levels in club heats.

Although most clubs are doing a fairly good job of this now it is important that you send the right things to right people at the conclusion of your club events.

The State Masterpoint Secretary (masterpoints@nswba.com.au) requires;

- (i) Detailed results of your event (especially number of boards per match and format)
- (ii) A gold masterpoint file

The convener (me) (gnot@nswba.com.au) requires;

- (i) The number of teams which participated in your club heat
- (ii) The names of those who will represent your club at the metropolitan final

The regulations can as usual be found on the NSWBA site;

<http://nswba.com.au/tourn/2018/gnot/metro.asp>

I will be unavailable until mid-April if you have any questions about the GNOT before then please email Warren Lazer (tournament@nswba.com.au)

Should you require further details please contact me – preferably by e-mail:

Michael Wilkinson
GNOT Convener
