January, 2018

Dear Tournament Secretary,

## **2018 Grand National Open Teams - Country NSW Regions**

First the good news. The size of the National Final will remain at 60 teams in 2018, so there's no reduction in the NSW allocation. However, it should be noted that the ABF is still considering reducing the number of teams at the national final in 2019. If this happens reductions will likely be made to regions which are not supporting the event at the club level and/or making a loss. So if you want your region to keep its allocation then it is important to support your local club heats.

There have been no substantive changes to the way the GNOT will be run this year. There has been one small change to the entry fees - the \$10 per team levy that the NSWBA collects for the ABF is being increased to \$12 per team. The extra 50 cents per player will be used by the NSWBA to defray increased event costs across all players. This levy has been set at \$12 for many years in the Metropolitan GNOT Region.

Once you have run your club's heat you need to send the club heat form (fully completed) to your regional co-ordinator.

Bill Powell will again take on the role of Regional GNOT Masterpoint Adviser. To get your masterpoints processed you must send detailed results and a gold masterpoint file to Bill:

[gnotmp@nswba.com.au](mailto:gnotmp@nswba.com.au)

These must include;

- (i) The format of your event
- (ii) The number of boards played in each round
- (iii) The scores for each match played
- (iv) A .gld gold masterpoint file

Once Bill is happy that your file is correct he will submit them to the ABF masterpoint centre.

Further details about the event can be found on the NSWBA website and I include an overview with this letter.

Happy bridging,

Michael Wilkinson  
State GNOT Convener

## **Overview of the GNOT**

The Grand National Open Teams is an Australia-wide event conducted by the Australian Bridge Federation Inc (ABF). It is the only opportunity for players to earn Gold Masterpoints in their local club. It works like this:

- Australia is divided into regions on a geographical basis.
- Each region provides a set number of teams to the National Final (currently 60 in all).
- Clubs hold heats to qualify teams to a final within their region.
- Each Regional Final qualifies 1 or more teams to the National Final.
- The National Final is played in late November/early December (currently in Tweed Heads).
- The ABF provides travel grants to teams that qualify for the National Final.

## **GNOT in NSW**

The ABF has appointed the NSWBA as the Organising Body for all regions in NSW. The ABF has stipulated that NSWBA is to send 22 teams to the National Final - 7 of these will come from the Sydney Metropolitan region, the remaining 15 from elsewhere in NSW.

The NSWBA appoints a State GNOT Convener who, with the help of a team of Regional Organisers, is responsible for conducting the tournament in NSW. The State GNOT Convener for 2018 is Michael Wilkinson.

All clubs have been assigned to one region only and can qualify teams only to that region's Final. These regions are slightly different to those used for the Country Teams or administrative purposes.

Each GNOT region in NSW, the affiliated clubs therein and the number of teams it will qualify to the National Final can be found in Appendix A. Conduct of the GNOT in each region will primarily be the responsibility of a Regional Convener. The convener for each region can also be found in Appendix A.

## **FURTHER DETAIL**

Separate more detailed sections now follow describing:

- Club qualifying events
- Regional Finals
- Masterpoints
- Financial information

**Please review these as they contain important information about running the GNOT in your club.**

## **CLUB QUALIFYING EVENTS**

All clubs within a region are invited to hold qualifying events ("CQE"s) to determine representative teams that will compete in a Regional Final.

Clubs may hold one or two separate qualifying heats. Each must be 2 – 5 sessions in length. It is recommended that clubs create a separate event in their calendars for their GNOT CQE.

Players may enter in as many different CQEs as they wish, at different clubs within a region or even in different regions (if they happen to belong to clubs in different regions).

All clubs have been assigned to one region only and can qualify teams only to that region's Final. These regions are not set in stone. If your club wants to move to a different region, please let Michael Wilkinson know as soon as possible.

## **Event formats**

CQEs may be in the following formats:

- Teams.
- Butler IMP pairs events (players' results are compared to an average "datum" score and the difference converted to IMPs) from which teams are then formed.

Regular club matchpoint duplicate sessions are not acceptable for two reasons:

- The GNOT is ultimately a team event (scored by IMPs) so the qualifying events should follow the same scoring approach.
- Clubs should be charging a premium to players in GNOT heats to show they are special (*i.e.* they carry Gold masterpoints) and to allow the club to collect sufficient monies to fund the entry fees to later stages – see Financial information section for details.

## **Qualifying teams to the Regional Final**

In order to earn Gold masterpoints each club that holds a GNOT CQE must send at least 20% of its field to the Regional Final. This means:

- For heats up to 9 tables, the club must send at least 1 team to the Regional Final;
- For heats between 10-14 tables, the club must send at least 2 teams to the Regional Final;
- For heats between 15-19 tables the club must send at least 3 teams to the Regional Final; *etc.*

Clubs may also send any team that finished in the top half of the field.

## **Nominating teams to the Regional Final**

Clubs that do not hold a CQE may nominate 1 team per 50 home club members (or part thereof) up to a maximum of 3 teams to the Regional Final.

## **Direct entry of teams to the Regional Final**

The NSWBA recognises that there is a wide disparity in the standard of teams entering the club qualifying competitions, both within a region and across all regions in the state. It can be much easier to qualify to a Regional Final from some clubs than from others. The NSWBA will therefore accept entries directly into all Regional Finals. The cost for direct entry will be \$240 per team and all team members must have previously played in a CQE within that region.

## **REGIONAL FINALS**

Each Regional Final will qualify one or more teams (see Appendix A) to the GNOT National Final. The National Final will be held at Tweed Heads from Friday 30<sup>th</sup> November to Monday 3<sup>rd</sup> December 2018.

## MASTERPOINTS

In club heats, Gold Masterpoints will be available to the winners of every match at the rate of 0.04 masterpoints per board, *i.e.* winners of a 5 board match will receive 0.20 Gold masterpoints per player, while winners of an 8 board match will receive 0.32 Gold masterpoints per player. Masterpoint costs will be billed to the clubs by the ABF Masterpoint Centre.

In Regional Finals, depending on the size and number of sessions, these awards may increase to 0.06 masterpoints per board, *i.e.* winners of an 8 board match will receive 0.48 Gold Masterpoints per player, while winners of a 10 board match will receive 0.60 Gold masterpoints per player. Masterpoint costs for Regional Finals will be billed to the NSWBA by the ABF Masterpoint Centre.

## FINANCIAL INFORMATION

### ABF charges

The ABF makes two charges for the GNOT:

- \$750 per team entered to the National Final
- \$10 per table that enters the event at a qualifying level

The NSWBA has calculated a fee structure that allows clubs to collect sufficient funds to cover further entry fees and masterpoint charges and is consistent across all country regions. (Players in the Sydney metropolitan region will be paying slightly more.)

### Costs to clubs

The NSWBA will be responsible for paying the above fees to the ABF. It will also be responsible for all Regional Final running costs (including masterpoints awarded in the Final). The money will be raised by the following fees:

Fee	\$	Notes
Club qualifying heats or club nominations to the Regional Final.	\$12 per table	This covers the \$10 per table levy from the ABF which the NSWBA collects and passes on. The \$2 extra premium helps defray the event costs across all players.
Each team entering the Regional Final.	\$200	It is completely up to the clubs how this money is raised. Past practice in many areas was for the club to pay \$80 entry fee and the players to pay \$120 table money.

Clubs should note that they will need to charge a small premium on normal table money for GNOT heats in order to raise sufficient monies for these fees. Clubs will continue to be invoiced by the ABF masterpoint centre for the Gold masterpoints awarded in their qualifying heats.

### Costs to players

The premium charged to players to raise sufficient funds will depend on the number of tables and sessions in your heat, but typically should not be more than a few dollars a session. The table on the following page gives some examples of how to calculate a reasonable amount for clubs who run small, medium and large CQEs.

Table: Calculating entry fee per player

		Example 1	Example 2	Example 3
Tables in CQE	<b>T</b>	7	10	15
Sessions	<b>S</b>	2	2	3
Teams qualifying to Regional Final	<b>R</b>	1	2	3
<b>Funds required</b>				
Regional Final entry fee (assume club pays \$80 per team )	<b>R x \$80</b>	\$80	\$160	\$240
\$12 per table charge	<b>T x \$12</b>	\$84	\$120	\$180
<b>Total required funds</b>	<b>F</b>	<b>\$164</b>	<b>\$280</b>	<b>\$420</b>
Total player sessions	<b>P = 4 x T x S</b>	4 x 7 x 2 = 56	4 x 10 x 2 = 80	4 x 15 x 3 = 180
Premium per player per session needed to raise these funds ( <i>Recommend round up to help fund Gold masterpoints.</i> )	<b>F / P</b>	\$2.93 (Say \$3)	\$3.50 (Say \$3.50)	\$2.33 (Say \$2.50)
<b>Funds raised</b>		<b>56 x \$3 = \$168</b>	<b>80 x \$3.50 = \$280</b>	<b>180 x \$2.50 = \$450</b>

### Position across NSW

The NSWBA recognises that under this structure, some regions will make a loss and others will make a profit. Our aim is twofold - to break even across the state and to make the costs of entering the event equitable for all players. If there is an overall surplus it will be passed back to the regions – most likely in the form of additional subsidies to teams attending the National Final. Over time, we will be reviewing the structure of the regions and the participation levels with the aim of having every region in a financially viable position.

### Further details

The Supplementary Tournament Regulations, that are to be read in association with the NSWBA Tournament Regulations, will be posted separately on the NSWBA web site <http://www.nswba.com.au/tourn/2018/gnot/regions.asp>. Please read the regulations carefully, as they explain the conditions that need to be fulfilled for Gold masterpoints to be awarded. If you are unable to access the NSWBA site, contact the NSWBA Office and we will send you a hard copy upon application.

## Appendix A

### Northern Zone

#### Northern Rivers (2 teams)

**Organiser: Judy Forsyth**

Ballina  
Ballina Seniors  
Brunswick Valley  
Byron Bay  
Good Sports (Banora Point)  
Lennox Head  
Lismore  
Murwillumbah  
Tweed  
Twin Towns

#### Mid North Coast (2 teams)

**Organiser: Ray Ingielewicz**

Camden Haven (Laurieton)  
Coffs Harbour  
Grafton  
Great Lakes  
Nambucca Valley  
Port Macquarie  
Port Macquarie-Hastings  
Port Macquarie Panthers  
Taree  
Urunga  
Woolgoolga  
Yamba

#### Central Northern (1 team)

**Organiser: Bruce Tier**

Armidale  
Glen  
Gunnedah  
Inverell-Delvyn  
Moree  
New England (Glen Innes)  
Oxley (Walcha)  
Quirindi  
Tamworth  
Tenterfield  
Warialda & District

### Outer Metropolitan Zone

#### Hunter (3 teams)

**Organiser: Ken Wilks**

Belmont  
Cessnock  
Charlestown  
Dora Creek  
Hawks Nest  
Hunter (Singleton)  
Lake Macquarie  
Maitland  
Muswellbrook  
Newcastle  
Quick Tricks (Merewether)  
Scone  
Tilligerry (Lemon Tree Passage)  
Tomaree  
Toronto  
West City Newcastle

#### Central Coast (1 team)

**Organiser: Ronnie Ng**

Brisbane Water  
Central Coast  
Central Coast Leagues  
Community (Bateau Bay)

#### Mountains (2 teams)

**Organiser: Alan Schwarz**

Bathurst  
Blue Mountains  
Glenbrook  
Hawkesbury  
Mudgee  
Penrith  
Springwood  
St Marys  
Windsor

### Southern & Western Zone

#### Western NSW (1 team)

**Organiser: David Reddel**

Condobolin  
Coonabarabran  
Cowra  
Dubbo  
Forbes  
Gulargambone  
Narramine/Trangie  
Nyngan  
Orange  
Parkes  
Wellington

#### South Coast (1 team)

**Organiser: Ron Maxwell**

Batemans Bay  
Bega Valley  
Bridge @ the Bay (Malua Bay)  
Milton  
Mollymook  
Moruya  
Sapphire Coast

#### Tablelands-Illawarra (1 team)

**Organiser: Chris Bayliss**

Berry  
Bowral  
Bungendore  
Goulburn  
Illawarra Bridge Association  
Kiama & District  
Nowra  
Southern Highlands (Bowral)  
The Grange (Moss Vale)

#### South West NSW (1 team)

**Organiser: Adrian Thompson**

Commercial Club (Albury)  
Griffith  
Leeton  
Riverview (Wagga Wagga)  
Tumbarumba  
Tumut  
Wagga Wagga  
West Wyalong
