SYDNEY METROPOLITAN REGION CLUBS QUALIFYING EVENTS
DEFAULT SUPPLEMENTARY TOURNAMENT REGULATIONS

1. The Event

- 1.1 This competition is conducted under the Laws of Duplicate Bridge 2017, supplemented by the Tournament Regulations of the NSWBA as they stand at the time an issue arises, and these Supplementary Regulations. In the case of conflict between these Supplementary Regulations and the NSWBA Tournament Regulations, the Supplementary Regulations shall apply.
- 1.2 The tournament will be conducted over 2, 3, 4 or 5 sessions as advertised.
- 1.3 The tournament will be run as a Swiss consisting of two 14-board matches each night.
- 1.4 Results of each match will be converted to victory points on the continuous ABF 14-board victory point scale.
- 1.5 One seventh (fractions rounded down) of the number of teams entered will qualify to the Metropolitan Final.
- 1.6 Teams that qualify for the Metropolitan Final, who opt not to proceed, will be replaced by lower ranked teams invited in finishing order.
- 1.7 No yellow systems will be permitted. Note, however, that all systems will be permitted in the Metropolitan Final.

- 2.3 Each player must be a member of a Sydney metropolitan bridge club affiliated with the NSWBA, though not necessarily a member of the club in whose event he/she is participating.
- 2.4 Players must be *bona fide* residents of the Sydney metropolitan region or a neighbouring NSW country GNOT region, *viz*, Central Coast, Mountains or Tablelands-Illawarra.
- 2.5 Each team must contain at least one current financial member of the Club.
- 2.6 There is no minimum board requirement for team members.
- 2.7 Players who have already qualified to the National Final via one of the two Direct Qualifying Events may play, but must withdraw if their team qualifies for the Metropolitan Final.
- 2.8 The advertised entry fee is payable in full at the first session. It will cover all masterpointing costs and entry fees for teams that qualify for later stages of the GNOT. Normal table money applies.

3. Progression to the Metropolitan and National Finals

- 3.1 There is no minimum board requirement for competitors in the Metropolitan Final.

- 3.3 Teams of 4 or 5 players that qualify from the Metropolitan Final to the National Final may apply to the Chairman of the NSWBA Events Committee to augment an extra 1 or 2 players. Such application must be made before Saturday 12th August 2023.

4. Substitutions, Withdrawals and Augmentations

- 4.1 The number of allowed substitutions are to be in accordance with the relevant clauses of Section 4 of the NSWBA Tournament Regulations.
- 4.2 Teams that are in breach of the substitution regulations will not be offered a place in the Metropolitan Final should they finish in a qualifying position.
- 4.3 As many players qualify to the Metropolitan Final in more than one team, teams that qualify to the Metropolitan Final may not be able to progress as a complete unit. In such cases, any team that still contains at least 50% of its original membership may augment to become a viable team of 4, 5 or 6.
- 4.4 All augmented players must comply with Regulations 2.2, 2.3 and 2.4.

 - (a) have played in any of the Club's GNOT qualifying events, or
 - (b) be financial members of the Club.
- 4.6 Players who have already qualified for the National Final via one of the two Direct Qualifying Events may not be augmented. This rule applies even if the player withdraws from the team that has qualified to the National Final.
- 4.7 Players who have qualified to the Metropolitan Final may withdraw without penalty and without assigning any reason.
- 4.8 Players who have qualified to the Metropolitan Final may withdraw from that team and be augmented onto a different team that has qualified.
- 4.9 Should a qualified team of 4 or 6 fragment into two halves, each claiming rights to progress to the Metropolitan Final, that half containing the designated Team Captain will progress.
- 4.10 Teams that qualify for the Metropolitan Final must indicate their intention to accept the offer before Saturday 22nd July 2023. Any augmentations must be notified at the time of acceptance.
