

# NEW SOUTH WALES BRIDGE ASSOCIATION STATE MIXED PAIRS CHAMPIONSHIP 2005

Valerie Cummings - convener

Dear Club Secretary

During 2004, the FABC informed the New South Wales Bridge Association that they were unable to provide personnel to run the State Mixed Pairs championship.

Accordingly, the NSBWA has taken over the running of the event directly this year and invites all affiliated clubs to conduct qualifying events of the State Mixed Pairs. The Championship Final to be held at the NSWBA on the weekend of 28th and 29th May 2005.

Please note the following key changes this year:

- Removing the requirement to send 1 pair in every 10 competing pairs to the final.
- A graduated scale of entry fees to the final – the more pairs you send to the final, the less your club is charged for each pair!
- Raising the maximum number of pairs you can nominate directly to the final if you do not hold a qualifying event from three to five.
- Introduction of a swiss pairs event on Sunday 29<sup>th</sup> May – with free entry for those pairs not making the final.
- Prize money for the final and Swiss pairs events (or ANC subsidies if entry taken up).

We welcome your club's participation in this event and look forward to receiving as many entries as possible to the State Mixed Pairs finals weekend.

The details are contained below and the Supplementary Tournament Regulations are attached *Please read carefully!*

1. Clubs not wishing to run a qualifying competition may nominate one pair per 50 home club members or part thereof with a limit of 5 pairs.
