6. Players must have an **active** Australian Bridge Federation masterpoint number.
7. Players do not have to be members of the club where the qualifying competition is held.

 - 8.2 A session consists of at least 24 boards. Masterpoint awards are factored down accordingly for sessions where fewer than 24 boards are played.
 - 8.3 Clubs may run a maximum of two separate qualifying events - one daytime and/or one evening event.
 - 8.4 Directors must be qualified at Club level (Grade D) or above.

9. Qualification to Regional Finals

- 9.1 Teams placed in the top half of the field(s) are eligible to play in the Regional Final.
- 9.2 Pairs placed in the top half of the field(s) are eligible to play in the Regional Final. They may form teams of 4 or 6 players according to the supplementary regulations set by each participating club. In the absence of any such regulations, teams of 4 (*i.e.* 2 eligible pairs) may augment to teams of 5 or 6 by appending players who played in the event but failed to qualify.
- 9.3 Clubs not running a qualifying competition may nominate teams to the Regional Final. The number of teams that may be nominated by a club is one team per 50 home club members or part thereof with a limit of three teams. All players in a nominated team must be financial members of the nominating club.
- 9.4 If only one club in a region is interested in participating, it may either
 - nominate one team directly to the Divisional Final, or
 - seek permission from the Convener to have its Club Qualifying event reclassified as the Regional Final.

10. Regional Finals.

- 10.1 The Regional Finals will be held either as a Swiss or Round Robin teams competition over two sessions.
- 10.2 Matches will be of at least eight boards using the appropriate WBF IMP to VP conversion scale.
- 10.3 Teams placed in the top half of a Regional Final are eligible to advance to the Divisional Final.
- 10.4 Directors must be qualified at Championship level (Grade C2) or above.

11. Divisional Finals.

- 11.1 All Divisional Finals will be held either as a Swiss or Round Robin teams competition over three sessions on the weekend of 3rd and 4th July.
- 11.2 Matches will be of at least eight boards using the appropriate WBF IMP to VP conversion scale.
- 11.3 The winner of each Divisional Final is eligible to advance to the Finals of the John Arkinstall State Teams at the NSWBA. If unavailable, they will be replaced by the highest placed available team.
- 11.4 Directors must be qualified at Congress level (Grade C1) or above.

12. The John Arkinstall State Teams Finals

- 12.1 The Round Robin qualifying stage will consist of seven 12 board matches:
 - Matches 1 - 2: 7:00 pm on Friday 10th December 2010
 - Matches 3 - 7: 10:00 am Saturday 11th December 2010
- 12.2 The two highest placed teams from the Round Robin will contest the 56 board Final (4 x 14 board stanzas) beginning at 10:00 am on Sunday 12th December 2010.
- 12.3 Directors must be qualified at State level (Grade B) or above.
- 12.4 No entry fee or table money is payable by teams participating in the State Final.

13. The Country Teams Championship

- 13.1 This will be decided at the Finals of John Arkinstall State Teams.
- 13.2 If two Divisional representative teams qualify for the Final of the State Teams, then the winner of the State Teams will also be declared the Country Teams Champions.
- 13.3 If only one Divisional representative team qualifies for the Final of the State Teams, then that qualifying team will be declared the Country Teams Champions.
- 13.4 If no Divisional representative team qualifies for the Final of the State Teams, then the two highest ranked teams at the end of the round robin will contest a 56 board match on Sunday 12th December at the NSWBA to determine the Country Teams Champions.
- 13.5 Players not playing in the John Arkinstall State Teams Final or the Country Teams Championship Final may play for free in the NSWBA Christmas Party Pairs on the Sunday.

14. Substitutions

- 14.1 Any substitution in, or augmentation to, a team that plays in the Regional, Divisional or State Final must comply with the NSWBA Tournament Regulations (see section 4) and must be approved by the relevant Divisional Coordinator or Convener **prior to the commencement of the relevant final**.
- 14.2 Eligible substitutes (and augmented players) are those players of equivalent standard (in the Convener's or the Director's opinion) to the other members of the team, who would have been eligible to enter the competition and who are not playing in the stage for which a substitution or an augmentation is contemplated.
- 14.3 A team can only be augmented by a single player or by a pair. Notwithstanding the above, the Convener, in his absolute discretion, shall have the right to accept or reject nominations which may be outside these guidelines in order to facilitate the running of this event. Players **must not** assume a favourable decision by the Convener.

15. Entry Fees

- 15.1 It is up to the clubs to set their own entry fees and table monies, but note that Red Masterpoints will only be awarded if 20% of the field proceeds to the Regional Final. It is therefore recommended that clubs charge a premium (of \$1 -\$2 per player per session) above normal table money to generate an income to pay the entry fees for 20% of the field (#16.4) to the Regional Final. Lower ranked teams that are eligible and wish to play in the Regional Final can be (partially) subsidised by the club or pay the full entry fee themselves.
- 15.2 The entry fee for every team that plays in the Regional Final will be set by the hosting club. (An entry fee between \$80 and \$100 is recommended.) It needs to generate sufficient income to hold the event and to pay the entry fees of teams proceeding to the Divisional Final, *i.e.* at least 20% of the field (#16.5).
- 15.3 The entry fee for every team that plays in the Divisional Final is \$140 per team.
- 15.4 There is no entry fee or table money payable by teams participating in the State Final, however any net profit (or loss) generated from the Divisional Finals is the NSWBA's.

16. Masterpoints

- 16.1 Red masterpoints will be awarded at State Championship level.
- 16.2 Red masterpoints are to be calculated by the Club Masterpoints Secretary on a weighting of 5.0. Red masterpoints are awarded on a sessional basis only, *i.e.* there is **NO** outright award. If a club runs a qualifying session(s), followed by a final and consolation, only the players in the final will receive red masterpoints. Red masterpoints cannot be awarded to players in the consolation as they are not eligible for the next stage of the competition. (Green masterpoints may be awarded to these players as for a normal club session, through the standard quarterly return).
- 16.3 The red masterpoints awarded must **NOT** be entered on the club's quarterly return to the ABF Masterpoints Centre, but must be sent to the Convener. They may be entered on Congress Award Forms (obtainable from the ABF MPs Centre) showing the names and ABF numbers of all players in the section who have won masterpoints, or as an appropriately formatted file emailed to the Convener. They should not be sent to the ABF Masterpoint Centre by e-mail.
- 16.4 Red Masterpoints will only be awarded for a club qualifying competition if 20% of competing teams (rounded to the nearest integer) play in the Regional Final.
- 16.5 Red Masterpoints will only be awarded for a Regional Final if 20% of competing teams proceed to the Divisional Final.
