

## Illawarra Swiss Pairs early December

By Frank Budai
(ed. Frank and Julian Abel won the event. This hand may show why!)

Here is your hand:-
-Q6
$\bullet 7$
-AKQT9875
$\% 83$

But the auction is:-

| West | North | East | South |
| :--- | :--- | :--- | :--- |
|  | $2 \mathrm{C}(1)$ | P | $2 \mathrm{D}(2)$ |
| $? ? ?(3)$ |  |  |  |
|  |  |  |  |

(1) Shows less than opening hand, with both majors $5+$, 4+
(2) No preference
(3) What did Frank bid?

Those of you that know Frank would write down 3NT.
He won the first trick with $\wedge$ Q, then 8 Diamonds, $\mathcal{A} \&$ for 11 tricks.
As he says "When it's your day - good things happen.

The whole hand was:-
