Rainy Days the Best Bridge Days

The Cowra & District Bridge Club Inaugural Congress was a big success despite late withdrawals due to the endless rain. Teams from Dubbo and Parkes were unable to attend for fear they may not get back home if the roads were closed. Our director David Reddel coped well with the last minute changes and both days ran smoothly. The Services Club provided a good spread and the players who stayed in the new Cowra Service Club Motel were very impressed with the facility.
