

# Coffs Harbour Bridge Club Swiss Teams

20 – 21 MAY (SAT – SUN)

## And along came baby and all...

*by Barbara Herring*

It was another successful congress with 24 tables from NSW and Gold Coast. There was one team of 5; Sophie Ashton brought along her baby. It was great to see some younger players and it looks like baby Ashton will be learning at a young age. The team of Sophie Ashton, Helena Dawson, David Wiltshire, Wallace Ashton and Sartah Hans were runners up in the Open Section.

The weather forecast was for a wet weekend and we had resigned ourselves to cold and rain. However for the two days the sun shone and it was warm. It was almost as if we had a line to heaven.

Tony Howes, our Director did another amazing job. He has been with us every year since the beginning and it always good to see him and his wife Ros when they make their annual pilgrimage to Coffs.
