

# Tomaree Swiss Pairs and Teams

24 — 25 OCTOBER (SAT — SUN)

## A Successful Congress

*by Chris Ledingham*

Tomaree Bridge Club hosted another successful Congress on the weekend of 26th and 27th October. Entries were received from clubs in the Hunter, Central Coast, Sydney and beyond.

52 pairs competed on Saturday with Sue Donohue and Jim Thatcher from Hawks Nest BC taking honours in first place.

There were 34 teams on the Sunday with victory going to Michael Simes, Paul McGrath and Wayne Smith From Newcastle BC together with Grant Cowen from Illawarra.

John McIlrath, as director, did a superb job keeping the play moving smoothly without mishap.

There was food in abundance thanks to our local club cooks so participants went home satisfied in this regard even if they were unsuccessful at the bridge table or unlucky in the raffle.
