IMPROVING YOUR JUDGEMENT IN YOUR BIDDING

The general trend in today's game is to be more aggressive, especially in competitive auctions. Put pressure on the opponents by getting in their way. Everyone plays a role: opener, responder, intervener and the advancer. Joan Butts, Australia's premier bridge teacher will show you when to bid a lot and when not to.

AFTERNOON SESSION:

KEEPING OUR COMMUNICATIONS OPEN IN DEFENCE

This Joan Butts Bridge workshop will focus on ways to work better with partner to make declarer's job harder. The idea is to keep your own communications and break declarer's by using signals as you play.
