

INTERSTATE TEAMS SELECTION **SUPPLEMENTARY REGULATIONS - 2020**

These supplementary regulations are to be read in conjunction with the NSWBA Tournament Regulations.

The Events and Tournament Structure

The Open Interstate Teams Selection (OITS) is conducted in three stages, Qualifying (Stage I), Semi-Final (Stage II) and Final (Stage III).

The Women's Interstate Teams Selection (WITS) is conducted over 3 consecutive days in one or two stages, depending upon the number of entrants.

The Seniors Interstate Teams Selection (SITS) is conducted over 3 consecutive days in one or two stages, depending upon the number of entrants.

The Youth Interstate Teams Selection (YITS) is conducted as a single stage event with no pre-qualification.

All events will be independent and scheduled to allow players to compete in all events for which they are eligible.

Eligibility and Entry

Only players who are permanent residents of NSW or who are *bona fide* members of a club affiliated with the NSWBA are eligible for entry to OITS Stage II, the WITS and SITS. Any question regarding a player's eligibility shall be decided by the NSWBA Tournament Committee. Such decision will be appealable to the NSWBA Council whose decision will be final.

All players currently listed as ABF registered players are eligible to play in the OITS Stage I.

Only registered players who identify as female may play in the WITS.

Only registered players who were born before the 1st January 1960 may play in the SITS.

Players born in 1994 or earlier may play in the YITS with the permission of the Youth Councillor. Only registered players who were born on or after the 1st January 1995 are eligible for the Youth Team.

The Director may, at his discretion, allow a pair, which is ineligible for any reason, to play in one or more sessions to complete a movement.

Advance entry is required. Late entries will be accepted only at the discretion of the Director.

All players playing in the OITS Stage II must be eligible and available to play in the OITS Final and the ANC Teams Championship, should they so qualify. All players playing in the WITS/SITS must be eligible and available to play in the ANC Teams Championship. The ANC Teams Championship will be held in Adelaide from 12-16 July, 2020.

Non-contending pairs may enter the OITS Stage I. The Director must be informed of the non-contending status at the time of entry.

Subject to ratification by the Council, the pairs who finish in the first three places in the OITS, WITS, SITS and YITS will constitute the NSW Teams for the current year's ANC Teams Championship.

A player who has qualified for a team becomes ineligible to enter the SITS.

Members of each team may be required by the Council to take part in promotional activities as members of the NSW representative teams.

Entry Fees

Entry fees for the various stages of each event will be set by a sub-committee comprising the Treasurer of the NSWBA and the Chairman of the Tournament Committee. Such fees will be subject to approval by Council.

Grants

Grants to attend the ANC are set by the Council each year and vary depending on the venue.

INTERSTATE TEAMS SELECTION **SUPPLEMENTARY REGULATIONS - 2020**

Responsibilities of ANC Team Members

Players making the teams are obliged to comply with all ABF regulations concerning the submission of their system that will be played at the ANC.

Unless representing Australia or NSW in Bridge, all team members are expected to play in the NSWBA's Team of 3 Congress on 31st May.

Substitutions

Substitutes in all stages of all events must be requested in accordance with the NSWBA Tournament Regulations, *i.e.* by submitting the online form at <http://www.nswba.com.au/forms/substitute.asp> at least 5 days in advance. In cases of sudden illness or real emergency, ratification may be granted in fewer days or even retrospectively, but players are warned that the Substitution Regulations provide for significant penalties if the Tournament Committee rules that a substitute does not satisfy the criterion of equivalent standard.

Scoring

In the WITS and SITS Finals and all stage of the OITS, for the purposes of Law 12C, average plus and average minus will be set at +3 IMPs and -3 IMPs respectively. In the WITS and SITS Qualifying stages and the YITS, average plus and average minus will be set at +2 IMPs and -2 IMPs respectively.

Systems

Yellow Systems are permitted only in OITS, WITS and SITS Finals.

Time Limits

For each match in the OITS, WITS and SITS Finals, a total time limit of 7 minutes per board will be allowed. If the players have not removed their cards from the board during the allotted time, that board and any other unplayed boards will not be played. Penalties for slow play will be:

1st offence: warning; 2nd offence: 3 IMPs; 3rd offence: 6 IMPs; 4th and subsequent offences: 9 IMPs

Where more than one board is unplayed, an additional fine of 2 IMPs per board unplayed will be imposed on a pair determined by the Director to be guilty of slow play.

Seeding

Seeding of fields, when required, will be done by a committee appointed by the Chairman of the NSWBA Tournament Committee and chaired by the Director.

Replacement of Team Member

Replacement applies when a player (or pair) withdraws from the team after completion of the OITS, WITS or SITS Finals due to circumstances such as death, illness, unavoidable personal problems, refusal of Council ratification or any other reason. In such cases, the affected pair will be replaced by the highest ranked pair available. Should no pair from the relevant Final be available, the NSWBA Council may take whatever action it considers necessary to fill the vacancy created.

Unauthorised Withdrawals

Before starting play in the OITS Stage II, the WITS or the SITS, all players may be required to sign declarations of availability encompassing the remainder of the event and all days of the target ANC. Subject to recommendations from the Rules and Ethics Committee and reviews from Council, any subsequent withdrawal will result in the offending player(s) being denied entry to all 2021 ITS events, as well as other possible sanctions.

OPEN INTERSTATE TEAMS SELECTION **SUPPLEMENTARY REGULATIONS - 2020**

OITS Stage I

Stage I will consist of three sessions as specified in the NSWBA Programme.

The entrants will be seeded into two fields, which will be the North-South and East-West fields, sitting in these directions throughout Stage I. Seeding will be made to ensure that, as far as possible, an equal number of non-contending pairs are in each field, and that the overall strength of the two fields is equivalent. Mitchell-based movements will be used, arranged so that each pair plays all the boards used in a session and against as many of the pairs in the other field as practicable.

Scoring will be by "IMPs-against-median". For each board, each pair's score is computed by comparing its score with the middle score (median) according to the IMP scale.

The initial entry of contending pairs (P_1) determines the number of pairs qualifying to Stage II (P_2) and the number of tables in the Final (T), as follows:

Size of Stage I, P_1 , # contending pairs	Number of pairs, P_2 , that qualify for Stage II	Matches in Stage II	Size of Final, T
52 ⁺	30 pairs (<58%)	3 weeks x (5 matches x 5 boards)	6 tables (40%)
36-51	24 pairs (47-66%)	3 weeks x (4 matches x 7 boards)	5 tables (42%)
<36	18 pairs (>50%)	3 weeks x (3 matches x 9 boards)	4 tables (44%)

OITS Stage II

Stage II will be played over three sessions as specified in the NSWBA Programme. The pairs shall be seeded into two fields, North-South and East-West. Seeding will be made to ensure that the overall strength of the two fields is equivalent. A Mitchell movement shall be played, using "IMPs-against-median" scoring, as for Stage I.

Qualification to Subsequent Stages

OITS Stage II

- The $P_2/2$ highest scoring contending pairs in each field shall progress to OITS Stage II.

OITS Final

- The T highest scoring pairs in each field (NS and EW) of OITS Stage II shall progress to OITS Final.

Ties in OITS Stages I and II

If two or more pairs from the same field finish with the same IMP totals, their relative rankings for the purpose of progression to the next stage of the competition shall be determined, in order, by:

1. in OITS Stage I, where an incomplete movement has been used, determining the total IMPs of all their opponents. The pair with the highest total shall be deemed to have had the most difficult draw and shall be placed highest;
2. counting the number of boards on which each of the equally ranked pairs has scored a positive number of IMPs. The pair with the greatest number of positive scores shall be placed highest;
3. counting the number of boards on which each of the equally ranked pairs has scored a negative number of IMPs. The pair with the least number of negative scores shall be placed highest;
4. lot.

OPEN INTERSTATE TEAMS SELECTION **SUPPLEMENTARY REGULATIONS - 2020**

Unauthorised Withdrawals

Pairs who qualify from Stage II, but then declare themselves unavailable may be subject to disciplinary action from the Rules and Ethics Committee. They will be replaced by the highest ranked available pair from the same Stage II field as the withdrawal.

Carry-Forwards - Stage I to Stage II

There will be no carry forward from Stage I to Stage II, however each pair's Stage I score is used in the calculation of the carry-forward to the Final.

Carry-Forwards - Stage II to Final

All Stage I pairs will be assigned a value, C, equal to $2(X-\mu)/\sigma$ where X = the pair's score in IMPs; μ = the average score for that direction; σ = the standard deviation for that direction.

All Stage II pairs will be assigned a D value equal to $B(X-\mu)/\sigma$ where X = the pair's score in IMPs; μ = the average score for that direction; σ = the standard deviation for that direction; B = the factor required to give a maximum D value of 24.0 (irrespective of the lowest D).

All pairs qualifying to the Final will be assigned a carry-forward of (C + D) IMPs.

OITS Final

The Final stage will be played as specified in the NSWBA Programme. Session times will be advertised in advance.

A 4-table final will play 7 x 16-board matches. Matches 1-4 on Saturday beginning at 10.00 am, matches 5-7 on Sunday beginning at 10.00 am. Multiple arrow-switches will be used, so as to provide perfect balance each round as well as overall.

A 5-table final will play 9 x 12-board matches. Matches 1-5 on Saturday beginning at 10.00 am, matches 6-9 on Sunday beginning at 10.00 am. Matches will be arranged so as to balance the NS and EW fields evenly for each round.

A 6-table final will play 11 x 10-board matches. Matches 1-6 on Saturday beginning at 10.00 am, matches 7-11 on Sunday beginning at 10.00 am. Matches will be arranged so as to balance the NS and EW fields evenly for each round.

Scoring will be by standard cross-IMPs. For an n-table Final, each pair's score on a board will be compared with the score at every table and the sum of all the IMPs generated will be divided by n.

The scores for all matches will be calculated in total IMPs. Maximum wins are capped at 32 IMPs for 16-board matches, 30 IMPs for 12-board matches and 25 IMPs for 10-board matches. Maximum losses are capped at 40 IMPs for 16-board matches, 36 IMPs for 12-board matches and 30 IMPs for 10-board matches.

For the purposes of applying the Laws of Duplicate Bridge, each match in the Final Stage is considered a separate session.

OPEN INTERSTATE TEAMS SELECTION **SUPPLEMENTARY REGULATIONS - 2020**

Ties in the Final Stage

Should there be a tie for third place (including a three-way tie for second place, etc), rankings will be determined, in order, as follows:

1. The pair with the smallest carry-forward to the Final will be ranked highest.
2. Pairs will be ranked according to the number of matches won (a draw is equal to ½ win) - those with more wins being ranked above those with fewer.
3. The totals will be recalculated by successively deleting the worst result of each of the pairs still ranking equally.
4. The pair with the greatest number of IMPs scored from matches that involve only those pairs involved in the tie will be ranked highest.
5. By lot.

Withdrawal of Pair during OITS, WITS and SITS Finals

If possible, a substitute pair of equivalent standard will be found. Neither the withdrawn pair nor the substitute pair will have any claim on qualifying for the ANC team.

Should no suitable substitute pair(s) be available, then:

- (a) if the withdrawal occurs before the start of the nth match of an n-table final, all scores involving the withdrawn pair will be expunged and all the remaining scores shall be recalculated for all matches.
- (b) if the withdrawal occurs later, all scores involving the withdrawn pair shall stand. Pairs yet to play the withdrawn pair will be assigned scores under Clause 13.9 of the NSWBA Tournament Regulations.

Score Correction Periods

For Stages I and II of the OITS, midday of the Tuesday immediately following each session.

For the OITS Final, 30 minutes after the completion of the session.

Substitutions

In the OITS Stages I and II, the standard NSWBA Substitution Regulations will apply, viz a maximum of two (2) substitutions in each stage.

Each of the matches in the OITS Final will be treated as a separate session. The maximum number of substitutions allowed is
two (2) for 12 or 16-board matches, or
three (3) for 10 board matches.

WOMEN'S INTERSTATE TEAMS SELECTION
SUPPLEMENTARY REGULATIONS - 2020

Entry and Format

All entries must be received by 10.00 a.m. on the day preceding the event. If the number of entries is 18 or fewer, there will be no qualifying stage and a full round robin Final will be played over 3 days. Byes in the draw are acceptable if an odd number of pairs have entered - the NSWBA will only provide a house pair if one can be found to play throughout.

# Pairs	# Matches	# Boards per match	# Matches on Fri, Sat, Sun
7-8	7	16	0, 4, 3
9-10	9	16	3, 3, 3
11-12	11	14	4, 4, 3
13-14	13	13	4, 5, 4
15-16	15	12	5, 5, 5
17-18	17	10	6, 6, 5

If the number of entries exceeds 18, the event will be played in 2 stages, a 1-day Qualifying and a 2-day Final.

WITS Qualifying

The Qualifying stage will be played over 2 sessions on the Friday specified in the NSWBA Programme. If an odd number of pairs enter, the NSWBA will provide a house pair. The entrants will be seeded into two fields, which will be the North-South and East-West fields, sitting in these directions throughout the Qualifying stage. The movements shall be arranged so that each pair plays all the boards used in a session. The exact format of the Qualifying and Final will be dependent on the number of entries.

# Pairs	# Matches in Qualifying	# Boards per match	#Qualifiers to Final	Qualifiers % of field	# Matches in Final
19	10	6	10	53	9 x 12 bds
20	10	6	10	50	9 x 12 bds
21	11	5	10	48	9 x 12 bds
22	11	5	10	45	9 x 12 bds
23	12	5	10	43	9 x 12 bds
24	12	5	12	50	11 x 10 bds
25	13	4	12	48	11 x 10 bds
26	13	4	12	46	11 x 10 bds
27	14	4	12	44	11 x 10 bds
28	14	4	12	43	11 x 10 bds
29-34	14	4	14	<48	13 x 8 bds

The basis of scoring will be "IMPs-against-median", as for OITS Stage I.

Carry-Forwards

All pairs will be assigned a carry-forward of $B(X-\mu)/\sigma$ where X = the pair's score in IMPs; μ = the average score for that direction; σ = the standard deviation for that direction; B = the factor required to give a maximum carry-forward of 24.0 IMPs (irrespective of the lowest c/f).

WOMEN'S INTERSTATE TEAMS SELECTION
SUPPLEMENTARY REGULATIONS - 2020

Ties

If two or more pairs from the same Qualifying field finish with the same IMP totals, their relative rankings for the purpose of progression to the Final shall be determined, in order, by:

1. where an incomplete movement has been used, determining the total IMPs of all their opponents. The pair with the highest total shall be deemed to have had the most difficult draw and shall be placed highest.
2. counting the number of matches won (a draw is equal to ½ win) - those with more wins being ranked above those with fewer.
3. counting the number of boards on which each of the equally ranked pairs has scored a positive number of IMPs. The pair with the greatest number of positive scores shall be placed highest.
4. counting the number of boards on which each of the equally ranked pairs has scored a negative number of IMPs. The pair with the least number of negative scores shall be placed highest.
5. lot.

WITS Final

The Final stage will be played as specified in the NSWBA Programme. Session times will be advertised in advance.

A 4-table final will play 7 x 16-board matches. Matches 1-4 on Saturday beginning at 10.00 am, matches 5-7 on Sunday beginning at 10.00 am. Multiple arrow-switches will be used, so as to provide perfect balance each round as well as overall.

Other finals, as shown in the previous tables, will begin play on day 1 at 10.00 am. Matches will be arranged so as to balance the NS and EW fields evenly for each round.

Scoring will be by standard cross-IMPs. For an n-table Final, each pair's score on a board will be compared with the score at every table and the sum of all the IMPs generated will be divided by n.

The scores for all matches will be calculated in total IMPs. Maximum wins and losses are capped as follows.

Match length (boards)	Maximum win (IMPs)	Maximum loss (IMPs)
16	32	40
14	30	36
13	28	34
12	26	32
10	25	30
8	24	28

For the purposes of applying the Laws of Duplicate Bridge, each match in the Final Stage is considered a separate session.

Substitutions

In the 2-session WITS Qualifying, the maximum allowance is one (1) substitution for one (1) session. Each of the matches in the WITS Final will be treated as a separate session. The maximum number of substitutions allowed is
two (2) for 14 or 16-board matches, or
three (3) for 8, 10, 12 or 13 board matches.

Score Correction Periods

For WITS Qualifying, 30 minutes after the end of session.

For the WITS Final, 30 minutes after the end of session.

SENIORS' INTERSTATE TEAMS SELECTION
SUPPLEMENTARY REGULATIONS - 2020

Entry and Format

All entries must be received by 10.00 a.m. on the day preceding the event. If the number of entries is 18 or fewer, there will be no qualifying stage and a full round robin Final will be played, as shown in the table below. Byes in the draw are acceptable if an odd number of pairs have entered - the NSWBA will only provide a house pair if one can be found to play throughout. The basis of scoring will be cross IMPs if an odd number of pairs is playing and Butler if an even number is playing.

# Pairs	# Matches	# Boards per match	# Matches on Fri, Sat, Sun
7-8	7	16	0, 4, 3
9-10	9	16	3, 3, 3
11-12	11	14	4, 4, 3
13-14	13	13	4, 5, 4
15-16	15	12	5, 5, 5
17-18	17	10	6, 6, 5

If the number of entries exceeds 18, the event will be played in 2 stages, a 1-day Qualifying and a 2-day Final.

SITS Qualifying

The Qualifying stage will be played over 2 sessions on the Friday specified in the NSWBA Programme. If an odd number of pairs enter, the NSWBA will provide a house pair. The entrants will be seeded into two fields, which will be the North-South and East-West fields, sitting in these directions throughout the Qualifying stage. The movements shall be arranged so that each pair plays all the boards used in a session. The exact format of the Qualifying and Final will be dependent on the number of entries.

# Pairs	# Matches in Qualifying	# Boards per match	#Qualifiers to Final	Qualifiers % of field	# Matches in Final
19	10	6	10	53	9 x 12 bds
20	10	6	10	50	9 x 12 bds
21	11	5	10	48	9 x 12 bds
22	11	5	10	45	9 x 12 bds
23	12	5	10	43	9 x 12 bds
24	12	5	12	50	11 x 10 bds
25	13	4	12	48	11 x 10 bds
26	13	4	12	46	11 x 10 bds
27	14	4	12	44	11 x 10 bds
28	14	4	12	43	11 x 10 bds
29-34	14	4	14	<48	13 x 8 bds

The basis of scoring will be "IMPs-against-median", as for OITS Stage I.

Carry-Forwards

All pairs will be assigned a carry-forward of $B(X-\mu)/\sigma$ where X = the pair's score in IMPs; μ = the average score for that direction; σ = the standard deviation for that direction; B = the factor required to give a maximum carry-forward of 24.0 IMPs (irrespective of the lowest c/f). This carry-forward, rounded to the nearest IMP, will then be converted to a V_n score (using the same IMP to VP conversion scale used in the SITS Final) and a carry-forward of V_n-10 VPs assigned to each pair.

SENIORS' INTERSTATE TEAMS SELECTION
SUPPLEMENTARY REGULATIONS - 2020

Ties

If two or more pairs from the same field finish with the same IMP totals, their relative rankings for the purpose of progression to the Final shall be determined, in order, by:

1. where an incomplete movement has been used, determining the total IMPs of all their opponents. The pair with the highest total shall be deemed to have had the most difficult draw and shall be placed highest.
2. counting the number of matches won (a draw is equal to ½ win) - those with more wins being ranked above those with fewer.
3. counting the number of boards on which each of the equally ranked pairs has scored a positive number of IMPs. The pair with the greatest number of positive scores shall be placed highest.
4. counting the number of boards on which each of the equally ranked pairs has scored a negative number of IMPs. The pair with the least number of negative scores shall be placed highest.
5. lot.

SITS Final

A) For a 4-table Final or any 3-day final with an odd number of pairs, the same format, timing and scoring by Cross IMPs as used in the WITS will apply.

B) For other Finals, as shown in the previous tables, play will begin on day 1 at 10.00 am. Matches will be arranged so as to balance the NS and EW fields evenly for each round.

For each board, the average of the middle scores is computed as the datum for the board. Each pair's score on a board is calculated by comparing their score with the datum by IMPs. The highest and lowest 10% of scores (0.5 rounded up) will be deleted before calculating the datum.

The net IMP score for each match will be converted to Victory Points using the appropriate ABF Swiss Pairs IMP to VP conversion scale.

For the purposes of applying the Laws of Duplicate Bridge, each match in the Final Stage is considered a separate session.

Substitutions

In the 2-session SITS Qualifying, the maximum allowance is one (1) substitution for one (1) session. Each of the matches in the SITS Final will be treated as a separate session. The maximum number of substitutions allowed is

two (2) for 14 or 16-board matches, or
three (3) for 8, 10, 12 or 13 board matches.

Score Correction Periods

For SITS Qualifying, 30 minutes after the end of session.

For SITS Final, 30 minutes after the end of session.

YOUTH INTERSTATE TEAMS SELECTION **SUPPLEMENTARY REGULATIONS - 2020**

The event will be played over 2 sessions as specified in the NSWBA Programme.

All entries must be received by 10.00 a.m. on 5th May.

The exact format of the event, the number of boards per match and the method of datum calculation on each board will be determined by the Director once the number of entries is known. The event will likely be played as a round robin or double round robin with Butler scoring, each pair's score on a board being calculated by comparing their score with the datum by IMPs. The highest and lowest 10% of YITS scores (0.5 rounded up) will be deleted before calculating the datum. The Director may also include scores from a strong field that has played the boards previously, with relative weightings at the Director's discretion, in the calculation of the datum scores.

For matches of 7 boards or more, the net IMP score for the match will be converted to Victory Points using an appropriate ABF continuous VP scale as determined by the Director. For matches of 6 boards or fewer, the scores for the matches will be calculated in total IMPs with a maximum win being capped at (6 x n) IMPs and a maximum loss at (7 x n) IMPs, where n is the number of boards.

The pairs finishing first, second and third will constitute the NSW Youth Team. Should any such pair(s) be unavailable for any reason, invitations will be offered in finishing order to lower placed pairs, with the proviso that the invited pair(s) finished in the top half of the field. If the team is still incomplete, the Chairman of the Tournament Committee may select any eligible Youth players (not confined to those who played in the YITS) to complete the team. Any such selection must still be ratified by the NSWBA Council.

Substitutions

No substitutions are allowed for contending pairs in the YITS.
