January 2022

The NSWBA invites all affiliated clubs to conduct qualifying events for the 2022 State Open Pairs and Country Open Pairs Championships. All affiliated clubs can play qualifying sessions and award red masterpoints at state championship level (W = 5.00) - **you do not need to send a club representative pair to the State Finals in order to award red masterpoints**. These sessions are part of an NSWBA State Championship, so they come with a higher weighting and are additional to your B4c allowance.

Clearly Covid-19 has changed the way we live and how many of us have played bridge over the last two years, and maybe in the future. The regulations now allow qualifying sessions to be played either online or f2f. Sessions played f2f or on the RealBridge platform attract masterpoints with full weighting of W = 5.00. Sessions played on the BBO or Stepbridge platforms are restricted to W = 2.5. Participation in online sessions is restricted to players who are members of a NSWBA-affiliated club.

The State Finals are scheduled to be played f2f at the NSWBA. It is currently a requirement that all players on the NSWBA premises have been doubly vaccinated and provide proof of their status. Announcements will be posted on the State Open Pairs webpage if the situation changes, so all organisers and representative pairs should check this site regularly.

The cost for pairs entering the Final directly is \$140 per pair, but this won't apply to club pairs. Clubs will pay \$120, a flat \$20 discount for every representative pair sent to the State Final. An additional benefit to clubs holding club qualifying sessions is that **the NSWBA will pick up the masterpoint costs if two conditions are met**. Firstly, you must send at least one pair to the State Final. Secondly, you must submit the relevant files by the specified date - if the NSWBA is charged a late fee by the Masterpoint Centre, the NSWBA will invoice the club for the full masterpoint costs plus the late fee.

The Championship Finals will be held at the NSWBA on the weekend of 19<sup>th</sup> & 20<sup>th</sup> November 2022. **Start time on the Saturday is 10.30 am**. The top 14 pairs on Saturday will qualify for the State Open Pairs Final on the Sunday. In addition, the top 14 pairs from non-metropolitan regions will qualify to a separate Country Open Pairs Final on the Sunday. Country pairs who qualify for the State Final may choose which Final they contend.

The Country Open Pairs Final began in 2013 with a 4-table final. Since then, the numbers have increased steadily each year and the State/Country Open Pairs is now one of the most popular state championships on the NSWBA calendar. The NSWBA is well aware that pairs from country clubs invest a lot of time and money to come to Sydney for the Finals and we really want to see them get the maximum value from that investment. That is only possible if your representative pairs stay for both days, so please encourage them to do so.

We welcome your club's participation in these events and look forward to receiving as many entries as possible to the State and Country Open Pairs Finals weekend.

The details are contained overleaf and in the Supplementary Tournament Regulations available from the NSWBA website: [www.nswba.com.au/tourn/state/se.asp?Y=2022&E=sop](http://www.nswba.com.au/tourn/state/se.asp?Y=2022&E=sop)

**Please read both documents carefully!**
